Highway 62 is a north/south roadway that runs from I-10, near Palm Springs, California, north into San Bernardino, California County.</p> <p>At approximately 6:15 a.m., Agent (b) (6), (b) (7)(C) and I were performing traffic observation in the I-10 corridor near Palm Springs. I was driving our vehicle and Agent (b) (6), (b) (7)(C) was in the passenger seat. While driving south on Highway 62, nearing I-10, I observed a green, older-model, two-door Honda Accord enter Highway 62 from I-10, driving north, past our location. When it passed Agent (b) (6), (b) (7)(C) and me, I observed what appeared to be an unknown, but excessive, amount of occupants in it. I also observed that the vehicle's frame was riding abnormally low, compared to other Honda Accords that I have seen in the past. In my experience, alien smugglers will transport large volumes of undocumented passengers at a time so that they can earn the maximum amount of smuggling fees per trip. Agent (b) (6), (b) (7)(C) and I communicated to each other that we both wanted to turn around and observe the vehicle further.</p> <p>Agent (b) (6), (b) (7)(C) and I made a U-turn in the median and attempted to catch up to the vehicle. After completing the U-turn, I observed the vehicle drive from the northbound lanes of Highway 62, across the median, and into the southbound lanes, where it began driving south. Agent (b) (6), (b) (7)(C) and I, again, performed a U-turn and began driving behind it. Immediately after getting behind the vehicle, it shot across the two southbound lanes from left to right and drove off-road onto a small dirt road that was alongside of the roadway. <p>vehicle's erratic driving pattern as an indication that its occupants were possibly involved in alien smuggling. After driving on the dirt road for approximately two to three hundred yards, the vehicle re-entered the roadway, without yielding to southbound traffic. I re-entered the roadway and began traveling behind it. Using my speedometer to match the vehicle's speed, I estimated that it was traveling at approximately eight miles-per-hour ("MPH"), and was still accelerating. The posted speed limit in that area of Highway 62 is sixty-five MPH. Agent (b)(6) &amp; (b)(7)(c) and I dropped back approximately four to five car-lengths and continued following it. As the vehicle neared I-10, it began entering the on-ramp for the westbound lanes of travel. Immediately before entering the onramp, it swerved to the right and entered the on-ramp for the eastbound lanes of I-10 traffic. Once on the on-ramp, I used my speedometer to estimate that the vehicle was traveling at approximately sixty-five MPH. The vehicle then entered I-10, traveling in the number four of four lanes. Via service radio, I contacted my dispatch communicator (hereinafter (b)(7)(E)) and relayed my location and the details of our encounter with the vehicle. I attempted to relay the vehicle's license plate information, but it was covered with a plastic license plate frame, so I was unable to.</p> <p>Based on our observations of the vehicle and its indications to me that its occupants were involved in illegal activity, Agent (b)(6) &amp; (b)(7)(c) and I activated our emergency lights in an effort to perform an investigatory stop of the vehicle.</p> <p>Immediately after turning our emergency lights on, the vehicle's speed appeared to increase to approximately seventy-five MPH. I believed that, based on the vehicle's previous driving pattern, combined with its increase in speed, that its driver was failing to yield to our request for it to stop in an effort to abscond and avoid arrest.</p> <p>I notified (b)(7)(E) that the vehicle was failing to yield. The vehicle's speed appeared to increase to approximately ninety MPH. Shortly after increasing its speed, it shot from the right to the left of the eastbound lanes of I-10, driving around several semi-trucks with trailers. After driving in that manner for approximately two to three miles, the vehicle shot across from the left to the right of the freeway and began slowing as it approached an off-ramp to North Indian Canyon Drive. As it approached the off-ramp, it exited and drove into the nearby intersection of the off-ramp and Garnet Avenue. Once in the intersection, the vehicle slowed again and began driving approximately ten MPH. As it did, the passenger-side door opened. I believed that the occupants of the vehicle were preparing to exit in an attempt to abscond on foot. Within seconds of the door opening, the vehicle began to take a wide left turn. I began taking a sharp left, and the vehicle nearly struck the front-right of my vehicle. Due to the Honda being so close to mine, it had nowhere to go, except into a curb that was located alongside the road, so it stopped. Within seconds of it stopping, both doors opened and three male occupants, including the driver, exited. Based on my aforementioned observations, Agent (b)(6) &amp; (b)(7)(c) and I believed that the occupants were attempting to flee.</p> <p>Agent (b)(6) &amp; (b)(7)(c) stopped near the vehicle and exited. Two of the occupants fled south into an open field with large areas with brush. The driver attempted to flee by running by the front of my vehicle and off to my left. I ran towards him and tackled him to the ground. Agent (b)(6) &amp; (b)(7)(c) approached the vehicle in an effort to clear and secure it and discovered one additional male subject inside, attempting to exit through the passenger-side door. <p>(b)(6) &amp; (b)(7)(c) attempted to physically extract the subject, and after several seconds, was able to. Agent (b)(6) &amp; (b)(7)(c) detained the subject and placed him in the rear of our service vehicle. I detained the driver and also secured him in the rear of our service vehicle. After both subjects were secured, Agent (b)(6) &amp; (b)(7)(c) secured the vehicles keys and I began pursuing the two outstanding subjects on foot. Agent (b)(6) &amp; (b)(7)(c) drove our service vehicle to an east/west road that was located south of the open field in an attempt to cut off the two subjects.</p> <p>I ran south after the subjects, and after approximately one half-mile, they turned and began running a semi-circle back towards Garnet Road. I continued chasing the subjects, and although I considerably reduced the distance between us, they maintained approximately one to two-hundred yards between us. I watched the subjects run back onto Garnet Road and get back into the Honda. After several seconds, they emerged from the Honda, presumably because Agent (b)(6) &amp; (b)(7)(c) removed its keys, rendering it inoperable. After emerging from the Honda, both subjects ran to a car that was stopped at the nearby intersection. They attempted to open its doors, which appeared to me as either an attempt to carjack the vehicle or request a ride from its driver. Immediately after that, the vehicle pulled away from them at a high-rate of speed and drove away. I continued running towards them, and they ran into a field between the Honda and I-10. That field also had several areas with thick brush. I saw the two subjects run into an area with thick brush and, within seconds, I arrived there and ran around it, towards its opposite side to see if they would continue through. When I did not see the subjects emerge on the opposite side, I entered the brush and began looking for them.</p> <div data-bbox="142 982 1474 1497" style="background-color: black; color: white; text-align: center; font-size: 48pt; font-weight: bold;">(b) (7) (E)</div> <p>(b) (7)(E) After running for the distance that I had, I was physically exhausted and began to feel the effects of an adrenaline dump.</p>

<p>Based on the subjects' flight, I knew that they were willing to actively resist my efforts, so I entered the brush area with ECD drawn. Within seconds of entering the brush, I discovered the two subjects hiding in elevated area, standing on the branches of trees. I readied my ECD at my side and ordered both of the subjects to the ground. One subject immediately jumped off of the branches and laid, face-down, on the ground. The second subject began standing on the branches of the trees and looked to an opening in the brush, to his right. I looked at the opening and saw that it was an opening towards I-10, which he could potentially use to flee further. I repeatedly ordered the subject to the ground, but he refused to comply. Fearing that he would attack me while I attempted to handcuff the other subject, I approached him and attempted to pull him down towards me. When I came within approximately three feet of him, he jumped down towards me. I feared that he was jumping down in an effort to assault me, so I raised my ECD and deployed the cartridge at him. When he landed on his feet, he immediately fell to the ground, face-down. I moved towards the subject and attempted to gain a dominant position on his back. The subject appeared to be trying to base his legs out to stand up, indicating to me that the probes of the ECD had not successfully deployed. Due to my physical exhaustion, I performed a drive-stun on his lower back to prevent him from continuing to stand up - his body immediately flattened out.</p> <p>Throughout the encounter, I attempted to maintain communication with Agent <b>(b)(6) &amp; (b)(7)(c)</b> but due to our distance from a radio repeater, we were unable to effectively do so. After several minutes, I was able to guide Agent <b>(b)(6) &amp; (b)(7)(c)</b> to my location. Once he arrived, walked the two subjects back to Garnet Road and laid them down on the sidewalk. We retrieved the two additional subjects from our vehicle and laid them on the sidewalk as well.</p> <p>Via service radio, I notified Supervisory Border Patrol Agent <b>(b)(6) &amp; (b)(7)(c)</b> of the ECD deployment.</p> <p>Shortly after, Agents <b>(b)(6) &amp; (b)(7)(c)</b> arrived at our location to assist us.</p> <p>All four subjects were searched and placed in handcuffs.</p> <p>All four subjects were questioned, individually, regarding their citizenship and immigration status. Each subject stated that they were citizens of Mexico and admitted to being in the United States illegally.</p> <p>Agent <b>(b)(6), (b)(7)(C)</b> an emergency medical technician, arrived and performed an examination of the subject that was exposed to the ECD. The subject claimed and appeared to be in good mental and physical health, and declined further medical attention.</p> <p>Agent <b>(b)(6) &amp; (b)(7)(c)</b> also assessed Agent <b>(b)(6) &amp; (b)(7)(c)</b> and I, but neither of us were injured during the encounter.</p> <p>All four subjects were notified that they were under arrest and they were transported to the Indio Border Patrol Station for further interview and processing.</p> <p>At the Indio Station, each subject's fingerprints were enrolled into the <b>(b)(7)(E)</b></p>

<b>NARRATIVE:</b> ----- On Sunday, June 2, 2014, I, United States Border Patrol Agent (b)(6) & (b)(7)(c) was assigned to roving patrol of the Indio, California Border Patrol Station's area of responsibility, along with Agent (b)(6) & (b)(7)(c).  At approximately 6:15 a.m., Agent (b)(6) & (b)(7)(c) and I were performing traffic observation on Interstate 10 near Palm Springs, California. Agent (b)(6) & (b)(7)(c) and I initiated an investigatory stop on a green Honda Accord based on our belief that its occupants were involved in illegal activity. After activating our vehicle's emergency equipment, the vehicle failed to yield. Agent (b)(6) & (b)(7)(c) and I engaged in a pursuit of the vehicle, which lasted approximately five minutes. At the conclusion of the vehicle pursuit, its four occupants, including its driver, (b)(6) & (b)(7)(c) exited and attempted to abscond on foot. After approximately ten minutes, all four occupants were apprehended.  After being apprehended, I questioned each of the occupants, individually, regarding their citizenship and immigration status. All four subjects stated that they were citizens of Mexico and admitted to being in the United States illegally. All four subjects were transported to the Indio Border Patrol Station for further interview and processing. <p>responsibility ("AOR"), along with Agent (b) (6), (b) (7)(C) and I were wearing green Border Patrol uniforms with badge identifiers visible and were in a green and white Dodge Charger marked with Border Patrol insignia and equipped with emergency lights and siren.</p> <p>The Indio Station's AOR includes California's Coachella Valley. The Coachella Valley is located approximately seventy miles north of the United States' international border boundary with Mexico. It is centrally located between the border and major cities such as Los Angeles, California, Las Vegas, Nevada, and Phoenix, Arizona. (b) (7)(E)</p> <p><b>(b) (7)(E)</b></p>		
<p>At approximately 2:15 a.m., Agent (b) (6), (b) (7)(C) and I went to a Greyhound Bus Station in Indio. At the bus station, we engaged several travelers in consensual conversation and performed brief investigations to determine whether or not we believed anyone was involved in narcotic or alien smuggling.</p> <p>As Agent (b) (6), (b) (7)(C) and I prepared to board a Greyhound bus that had just arrived at the bus station, I observed a male wearing a black hooded sweatshirt exit it. The subject exited, looked at Agent (b) (6), (b) (7)(C) and I, and began walking in the opposite direction of us, putting his sweatshirt's hood over his head. Agent (b) (6), (b) (7)(C) and I both immediately communicated to each other that we believed the subject's behavior was suspicious, as it appeared he was avoiding contact with us. I began walking towards the subject, and while I did, I saw him look over his shoulder at me. After doing that, he immediately began running away from me.</p> <p>The unprovoked flight from law enforcement officers is indicative of involvement in illegal activity, and in turn, makes me believe that the fleeing subject should be stopped and investigated.</p> <p>I began running after the subject and Agent (b) (6), (b) (7)(C) returned to our vehicle. The subject exited the parking lot of the bus station and ran south towards Jackson Street. I followed him for approximately one quarter of a mile, while constantly maintaining radio communication with Agent (b) (6), (b) (7)(C). Throughout my pursuit of the subject, I yelled, "Police!" and "Stop!" The subject did not respond to any of my requests. Agent (b) (6), (b) (7)(C) traveled around to Jackson Street in an attempt to cut the subject's flight off. After approximately one to two minutes, Agent (b) (6), (b) (7)(C) pulled in front of the subject and cut him off, near the intersection of Civic Center Drive and Jackson Street. Agent (b) (6), (b) (7)(C) exited the vehicle and ran towards the subject. Within seconds, the subject stopped and layed down and shouted, "Ok! Ok!" The subject appeared to have seen the threat of the imminent apprehension and gave up. Agent (b) (6), (b) (7)(C) and I approached the subject, and using control techniques, placed him in handcuffs. The subject was secured in the rear seat of our service vehicle.</p> <p>While running after the subject, I was forced to cross Indio Boulevard, which is a commercial offshoot of Interstate 10. Vehicles that travel on Indio Boulevard are known to travel at very high rates of speed and it has been the source of several pedestrian deaths. While crossing Indio Boulevard, I was nearly struck by several vehicles. The threat to my</p>

<p>Agent (b)(6) &amp; (b)(7)(c) identified himself to the subject and questioned him regarding his identity, citizenship, and immigration status. The subject identified himself as (b)(6) &amp; (b)(7)(c). (b)(6) &amp; (b)(7)(c) stated that he was a citizen of Guatemala and admitted to being in the United States illegally. (b)(6) &amp; (b)(7)(c) freely admitted that he acknowledged our presence at the bus station and intentionally attempted to flee in an effort to avoid being arrested for being in the United States illegally.</p>		
<p>Agent (b)(6) &amp; (b)(7)(c) notified (b)(6) &amp; (b)(7)(c) that he was under arrest.</p>		
<p>(b)(6) &amp; (b)(7)(c) was transported to the Indio Border Patrol Station for further interview and processing.</p>		
<p>At the Indio Border Patrol Station, (b)(6) &amp; (b)(7)(c) fingerprints and biographical information were enrolled into the (b)(7)(E) database and queried for criminal and immigration history. (b)(7)(E)</p>		
<p>Pursuant to Article 36 of the Geneva Convention on Consular Affairs, (b)(6) &amp; (b)(7)(c) was informed of his right to contact a representative of Guatemala's Office of Consular General to notify them that he had been apprehended. (b)(6) &amp; (b)(7)(c) acknowledged understanding his consular notification right, but declined to exercise it.</p>		
<p>(b)(6) &amp; (b)(7)(c) was notified of his Administrative Rights. (b)(6) &amp; (b)(7)(c) acknowledged understanding his Administrative Rights and requested a hearing before an immigration judge.</p>		
<p>Bed space for (b)(6) &amp; (b)(7)(c) was requested at Immigration and Customs Enforcement's ("ICE's") El Centro Service Processing Center due to the aggravated circumstances related to his apprehension. The bed space request was approved.</p>		
<p>***** Interview of (b)(6) &amp; (b)(7)(c) *****</p>		
<p>An interview of (b)(6) &amp; (b)(7)(c), which he voluntarily participated in, revealed the following:</p>		
<p>(b)(6) &amp; (b)(7)(c) is a citizen and national of Guatemala by virtue of birth. (b)(6) &amp; (b)(7)(c) left his home town of San Pedro, Guatemala, on or around May 15, 2010. (b)(6) &amp; (b)(7)(c) boarded a bus and traveled to Chiapas, Guatemala. Once in Chiapas, (b)(6) &amp; (b)(7)(c) was confronted by numerous people at the bus station offering to smuggle him into the United States. The smugglers told him that they would smuggle him into the United States without walking through the desert. (b)(6) &amp; (b)(7)(c) talked to several smugglers and decided to employ the one that was the cheapest. (b)(6) &amp; (b)(7)(c) was taken to Guatemala's border with Mexico, where he walked around Mexico's Port-of-Entry to avoid detection and having to pay bribes to Mexican officials. Once in Mexico, (b)(6) &amp; (b)(7)(c) used various modes of transportation - to include walking, cars, and buses - until he reached Reynosa, Mexico. Once he had arrived at the United States' border with Mexico, (b)(6) &amp; (b)(7)(c) and others waited until nightfall and attempted their illegal entry. (b)(6) &amp; (b)(7)(c) and several others embarked in a raft in order to cross the Rio Grande River into the United States. Upon crossing the river, (b)(6) &amp; (b)(7)(c) and the others walked for about two days, until they reached a</p>

From the stash house, (b)(6) &amp; (b)(7)(c) and two other illegal aliens were laid in the back of a pickup truck, where sheets of plywood were placed on top of them to avoid having them get detected by law enforcement. On their way to Houston, Texas, the smugglers ordered them to get out of the vehicle and walk through heavy brush in an attempt to circumvent a Border Patrol checkpoint. After successfully walking around the checkpoint, (b)(6) &amp; (b)(7)(c) and others were picked up and driven to a stash house in Houston. From the stash house, (b)(6) &amp; (b)(7)(c) contacted his family members and requested that they pay a remainder of the smuggling fees that he was charged, so that he could be released. Once the fees were paid, (b)(6) &amp; (b)(7)(c) bought a ticket from a local bus station and traveled to North Carolina. (b)(6) &amp; (b)(7)(c) stayed with his brother-in-law in North Carolina for several months. While living in North Carolina, (b)(6) &amp; (b)(7)(c) found employment at a farm.</p> <p>In February of 2014, (b)(6) &amp; (b)(7)(c) boss from the farm offered him a chance to work in La Quinta, California. (b)(6) &amp; (b)(7)(c) and his friend, (b)(6) &amp; (b)(7)(c), drove for about three days from North Carolina until they reached California. (b)(6) &amp; (b)(7)(c) stated that this past weekend, he and his friend (b)(6) &amp; (b)(7)(c) decided to drive to San Francisco, California to enjoy the sights. On the way to San Francisco, (b)(6) &amp; (b)(7)(c) friend's car broke down in Fresno, California. They decided to leave the car at a local mechanic shop and they boarded a Greyhound bus to return to La Quinta for the work-week.</p> <p>***** Interview Complete *****</p> <p>(b)(6) &amp; (b)(7)(c) was charged and booked for violating Title 8, United States Code, Section 1325, Improper Entry by Alien.</p> <p>(b)(6) &amp; (b)(7)(c) claimed and appeared to be in good mental and physical health.</p> <p>(b)(6) &amp; (b)(7)(c) disclaimed any ties or equities in the United States.</p> <p>(b)(6) &amp; (b)(7)(c) disclaimed any applications pending on his behalf with United States Citizenship and Immigration Services.</p> <p>(b)(6) &amp; (b)(7)(c) was issued a Notice to Appear before an immigration judge for removal proceedings.</p> <p>(b)(6) &amp; (b)(7)(c) was transferred to the custody of ICE, pending his removal proceedings.</p>

<p>I greeted the subject and identified myself as a Border Patrol agent. The subject returned my greeting. I questioned the subject regarding his birthplace, citizenship, and immigration status. The subject stated that he was born in Mexicali, Mexico, stated that he was a citizen of Mexico, and declined to answer me regarding his immigration status.</p> <p>While speaking with me, the subject was looking down at the ground. Several times, he turned away from me. While some people may do this because they do not wish to speak with me, the subject continued to speak with me, but in doing so while turning away from me, it made it difficult to understand his responses. I suspected that the subject may have been involved in illegal activity and his my observations were indicative of a nervous response to my law enforcement presence.</p> <p>I asked the subject for his identification. He handed me a California identification card which identified him as (b) (6), (b) (7)(C). I contacted my radio dispatcher (hereinafter (b) (7)(E)) and (b) (7)(E), (b) (6), (b) (7)(C) I continued to ask (b) (6), (b) (7)(C) if he had any type of immigration status that would permit him to visit, work, or reside in the United States. (b) (6), (b) (7)(C) finally answered that he was admitted to the United States in 1998 as a Lawfully Admitted Permanent Resident ("LAPR").</p> <p>I know that if a subject is born outside of the United States and holds foreign citizenship, they must apply for and receive permission from the United States government to enter the United States legally. Any record of an application would be retrieved when I query their biographical information for immigration records. Furthermore, if a subject is a LAPR, they are required by law to carry proof of their immigration status with them at all times. Failure to carry immigration documents is a violation of Title 8, United States Code, Section 1304(e).</p> <p>Based on his behavior throughout our encounter and (b) (7)(E) notification that refuted (b) (6), (b) (7)(C) LAPR claim, I believed that (b) (6), (b) (7)(C) was not a LAPR, and rather, an undocumented alien that was false-claiming LAPR status in an effort to avoid arrest.</p> <p>I notified (b) (6), (b) (7)(C) that he was in violation of law and told him that he was under arrest. I ordered (b) (6), (b) (7)(C) to place his hands behind his back but he did not. When I made the order, (b) (6), (b) (7)(C) hands dropped down to his sides.</p> <p>In my experience, when someone is confronted with apprehension, they respond in one of two ways: (a) they surrender themselves and accept that they are being arrested; or (b) they are engaged by a "fight or flight" mindset. A fight or flight mindset is the mindset that subjects begin using to calculate their response, and how effective that response will be in avoiding arrest.</p> <p>When the subject's hands dropped to his sides, I immediately detected that (b) (6), (b) (7)(C) was beginning to enter a fight or flight mindset. I grabbed his left arm with (b) (6), (b) (7)(C) of my hands and attempted to turn him around and place it behind his back. (b) (6), (b) (7)(C) body posture stiffened up and he began backing away from me. I yelled, "Do not resist or I will take you to the ground! You are going into handcuffs, whether you fight me or not!" <p>On Monday, June 9, 2014, I, United States Border Patrol Agent (b) (6), (b) (7)(C) was assigned to roving patrol within the Indio, California Border Patrol Station's area of responsibility ("AOR"), along with Agent (b) (6), (b) (7)(C) and I were wearing green Border Patrol uniforms with badge identifiers visible and were driving a green and white Dodge Charger which was marked with Border Patrol insignia and equipped with emergency lights and siren.</p> <p>(b) (7)(E)</p>		
<p>At approximately 3:10 a.m., Agent (b) (6), (b) (7)(C) and I were parked in the center median of I-10, east of Dillon Road, near Coachella, California. I was driving our vehicle and Agent (b) (6), (b) (7)(C) was sitting in the front-passenger seat. While observing I-10's vehicle traffic, we observed a black coupe approaching. The coupe was traveling west on I-10 in the number one of two lanes, nearest to the center median. Shortly behind the coupe, I observed that there were two semi-trucks with trailers traveling in the number two lane, closest to the right shoulder. As the coupe came closer, I saw its weight appear to shift forward and I could see the reflection of its brake lights illuminating in some nearby road signs. After that happened, I observed the coupe's speed decrease. The vehicle passed our location, and as it did, I observed a male subject driving the vehicle, which appeared to be an older-model Honda Civic.</p> <p>Agent (b) (6), (b) (7)(C) and I both immediately communicated with each other that we noted what we observed to be a reactionary response to our presence by the Honda's driver. I pulled out into the number one lane and began driving, approximately one half-mile behind the Honda.</p> <p>As soon as we pulled onto the roadway, I observed that the vehicle's brake lights were not illuminated, but within seconds, they were. I saw that the vehicle's right turn signal illuminated and the Honda pulled into the number two lane and it began traveling between the two semi-trucks. I drove alongside the Honda and observed that the male driver appeared to be the vehicle's only occupant. Using my vehicle's speedometer, I matched the Honda's speed and estimated that it was traveling at approximately seventy-five miles-per-hour ("MPH"). The male driver was looking straight ahead and appeared to be talking, while periodically looking over to his side.</p> <p>I found the Honda's maneuver into the number two lane, between the semi-trucks, to be an</p>

<p>indication that the Honda's driver was trying to place an obstruction behind him so that we could not pull behind him and attempt an investigatory stop. Also, when I saw the driver, who appeared to be the vehicle's sole occupant, looking straight ahead, but periodically looking over and talking, I believed that there may have been additional passengers inside of the Honda that were hidden in the vehicle.</p> <p>Via service radio, Agent (b) (6), (b) (7)(C) contacted our radio dispatcher (hereinafter "840") and requested a query of the vehicle's license plate (CA, (b) (6), (b) (7)(C) for registration information, border/Border Patrol checkpoint crossing history, stolen/non-stolen vehicle alerts, and "be on the lookout" alerts. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E)</p>		
<p>The vehicle continued west on I-10 as both semi-trucks exited. After the trucks exited, I pulled behind the Honda. While traveling behind the Honda, I observed that it began driving along the left side of the number two lane, striking the broken white lane separators several times. When it began running along the left side of the lane, I believed it was because the driver was distracted by and over-focused on our presence behind him and was, in turn, focusing less on maintaining his lane of travel. As we passed the next exit, Golf Center Drive, the Honda activated its left turn signal to travel around an upcoming semi-truck in the number two lane. The Honda merged with the number one lane. We merged into the number one lane along with the Honda. Shortly after, I-10 expanded into three lanes - the Honda and I stayed in the center lane. We followed the Honda for approximately two to three miles while we looked for a well-lighted, flat location that was suitable to safely perform an investigatory stop of the vehicle. While we followed, the Honda failed to maintain its lane safely and touched the broken white lane separators on several occasions.</p> <p>As we passed the Monroe Street exit, I activated our vehicle's emergency lights in an attempt to initiate an investigatory stop of the vehicle. After driving for several seconds in the number two lane, I activated our vehicle's siren. The Honda continued traveling for several seconds and then its right turn signal activated and it pulled into the number three lane, closest to the right shoulder. Since the Honda pulled into the number three lane, I felt that it was reasonable to believe that its driver looked behind to check for oncoming vehicle before merging, and in turn, would have noticed us with our emergency lights. The vehicle began slowing, and ultimately, slowed to approximately forty</p>

<p>MPH. It continued to Jefferson Street, where it began exiting.</p> <p>The Jefferson Street exit from the westbound lanes of I-10 is located on an elevated embankment which has a long curve. It does not possess a large shoulder area that is suitable for vehicle stops.</p> <p>As the vehicle drove on the exit, it slowed to approximately twenty to thirty MPH. As it came around the curve on the exit, its brake lights illuminated, it pulled to a small shoulder along the right side of the exit, and came to a very abrupt stop. I observed that there was a metal guardrail along the right side of the vehicle, which would have made it very difficult to safely approach the Honda. When the vehicle stopped, Agent (b)(6) &amp; (b)(7)(c) and I stopped behind it and parked. Using our vehicle's loudspeaker, I announced to the driver that I wanted him to continue to the end of the exit and turn right, off of the off-ramp. After several seconds, I believed that the driver was ignoring my request.</p> <p>The vehicle's prolonged hesitation to stop after our emergency lights were activated indicated to me that its driver was nervous and was trying to find a location to stop that would either (a) increase our susceptibility to passing traffic, reducing our ability to safely inspect the Honda; or (b) increase his ability to flee on foot.</p> <p>Agent (b)(6) &amp; (b)(7)(c) and I exited our vehicle and began approaching the Honda - I approached on the driver-side and Agent (b)(6) &amp; (b)(7)(c) approached on the passenger-side. I observed that the driver's window was lowered halfway. I yelled to the driver to turn the car off, in an effort to prevent him from driving away from us. The driver turned back toward me and yelled, "Fuck you!" I, again, ordered the driver to turn the vehicle off as I continued walking towards him. The driver again responded with several expletives, stating that I did not have the authority to stop him. I could not see the driver's hands, so based on the suspicious circumstances of the encounter, I suspected that the driver may have had a weapon in his hands. I drew my sidearm and held it at my side, in preparation to use it if the driver produced a weapon. As I came within four to five feet of the driver, I saw his hands in his lap and did not observe any additional passengers inside. I did, however, see that there was an open hatch to the trunk in the backseat. I did not see any weapons, so I holstered my gun. I repeatedly gave the subject orders to present his identification or driver's license to me and he responded with several expletive statements, including, "Go fuck yourself!" Since the driver was not cooperating with me, I ordered him out of the vehicle. The driver refused to comply. Due to the lack of compliance from the subject, I elected to try to manually open the door and remove him. When I attempted to open the door from the outside, I noticed that the door was locked. I put my hand inside of the car and tried to unlock the car. The driver grabbed my wrist and attempted to twist it away from the car.</p> <div style="text-align: center; font-size: 48pt; font-weight: bold;">(b) (7)(E)</div>

<p>I identified the driver's statements as pre-assault indicators and when he grabbed my wrist, I became aware that the driver was willing to assault me to avoid complying with me. I pulled the subject's arm back towards the pillar of the door frame and grinded his forearm against it, releasing his grip of my wrist. I continued to the interior lock of the door and opened the door. The subject immediately reached for the door in what appeared to be an attempt to pull it closed. I pushed me right forearm into the subject's neck and pushed him away from me. I removed the keys from the ignition and placed threw them to the ground behind me.</p> <p>Via service radio, I contacted two nearby agents, Supervisory Border Patrol Agents ("SBPAs") (b)(6) &amp; (b)(7)(c) and requested assistance. Shortly after, two passing officers from the California Highway Patrol ("CHP") saw us and stopped to render assistance. I stepped back and spoke with the CHP officers for several seconds to inform them of the details of the encounter. The CHP officers approached and ordered the subject out of the car. Within seconds, the subject exited the car and provided a Mexican identification card to the officers. The officers spoke with the driver outside of the car briefly and provided me with the subject's identification card. The card identified the subject as (b)(6) &amp; (b)(7)(c) and indicated that (b)(6) &amp; (b)(7)(c) was born in Mexico. I asked the subject if he was (b)(6) &amp; (b)(7)(c), but he refused to answer me. I asked him if he was a citizen of Mexico and he stated, "No, I'm a fuckin citizen of here." I asked him, "Of the United States?" And he nodded his head and said, "Yeah." The photo on the card appeared to depict the person that was in our custody.</p> <p>SBPAs (b)(6) &amp; (b)(7)(c) then arrived at our location.</p> <p>I contacted (b)(7)(E) and requested a query of (b)(6) &amp; (b)(7)(c)'s biographical information for immigration history. (b)(7)(E) informed me that (b)(6) &amp; (b)(7)(c) was a citizen of Mexico that had been ordered removed in absentia by an immigration judge.</p> <p>Based on the totality of the circumstances, I believed that (b)(6) &amp; (b)(7)(c)'s behavior was a conscious response to our presence. <p>assigned to roving patrol of the Indio, California Border Patrol Station's area of responsibility, along with Agent (b) (6), (b) (7)(C) Agent (b) (6), (b) (7)(C) and I were wearing green uniforms with badge identifiers v re in a green and white Dodge Charger that was marked with Border Patrol insignia and equipped with emergency lights and siren.</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) Highway 62 is a north/south roadway that runs from I-10, near Palm Springs, California, north into San Bernardino, California County.</p> <p>At approximately 8:00 a.m., Agent (b) (6), (b) (7)(C) and I were parked on the shoulder of I-10 near Indian Canyon Road, which is approximately three miles east of Highway 62. I was driving and Agent (b) (6), (b) (7)(C) was in the passenger seat. While observing westbound vehicle traffic, we both saw a blue Nissan Titan pickup truck pass our location. Prior to passing us, it appeared different from the rest of the passing traffic because its speed appeared to reduce drastically, and then the vehicle pulled to the number one lane of I-10, closest to the center divider. I observed what appeared to be two male subjects in the front seats of the truck.</p> <p>The truck's action was suspicious to me, not only because its speed change differentiated it from the flow of traffic, but because, after slowing, it moved to the number one lane, which is normally for higher-speed, passing traffic. In my experience, the smugglers of human and narcotic cargo will subconsciously move to the lanes furthest from law enforcement officers so that they can reduce their exposure to them.</p> <p>Agent (b) (6), (b) (7)(C) and I both immediately communicated to each other that we observed the truck's actions and desired to further investigate it.</p> <p>I entered the flow of traffic and caught up to the truck a short time later. I drove behind the truck, which had already moved to the number two of four lanes. Once behind it, its right turn signal illuminated and it moved to the number three of four lanes. I continued in the number two lane and drove alongside the truck. Agent (b) (6), (b) (7)(C) and I peered inside and saw two male subjects. The driver of the vehicle appeared to be drinking out of a can of "Monster" energy drink, while periodically glancing down at his dash board. The driver began laughing for a short amount of time, but the passenger's emotions appeared to stay the same. We continued traveling alongside the truck for approximately thirty to forty seconds, with neither of the occupants looking over at us at any time.</p> <p>The occupants' behaviors were suspicious to me, especially those of the driver. <p>passing us initially, the vehicle moved to the number one lane. If it moved to the number one lane for the purposes of maintaining speed in that lane, it appeared irregular for the truck to make two immediate lane changes to the numbers two and three lanes immediately after Agent (b) (6), (b) (7)(C) and I began driving behind it. Also, when Agent (b) (6), (b) (7)(C) and I drove alongside of the truck, its driver's was looking at the dash board periodically, more-than-likely to check the truck's speed. Very commonly, smugglers will attempt to abide by traffic laws as to avoid being stopped and inspected by law enforcement. By checking the dash board, I believed that the driver was attempting to monitor his speed in my presence. When I noticed that the driver was inducing what appeared to be unprovoked laughter while the passenger did not, I suspected that he was trying to exaggerate normal behaviors in an attempt to appear like routine members of the motoring public. During that morning, Agent (b) (6), (b) (7)(C) had investigated several vehicles on I-10, and this vehicle stood out to us based on the behaviors of its occupants. Of the several vehicles that we inspected, all of the occupants acknowledged our presence alongside of them after prolonged periods of time, unlike the occupants of the truck.</p> <p>Based on our observations of the truck, we communicated with each other that we intended to perform an investigatory stop of the truck.</p> <p>I slowed and pulled behind the truck, while doing so, Agent (b) (6), (b) (7)(C) stated that he observed the driver stop laughing, appear to tense up, and begin watching us merge behind him through the side-view mirror. This further confirmed my suspicion of the vehicle's occupants.</p> <p>I active my vehicle's emergency lights. After several seconds, the truck's brake lights illuminated and the truck began yielding to the right shoulder of I-10, just east of Highway 62. The truck stopped on the shoulder and I pulled behind it and parked.</p> <p>Agent (b) (6), (b) (7)(C) and I exited our vehicle and approached the truck. I looked inside and saw only the two male subjects that I had previously observed in the truck. Through the lowered passenger-side window, Agent (b) (6), (b) (7)(C) greeted the occupants of the truck and identified himself. Agent (b) (6), (b) (7)(C) questioned the occupants regarding their identity, citizenship, and immigration status. The driver presented a Mexican identification card and identified himself as (b) (6), (b) (7)(C). The passenger presented a California identification card and identified himself as (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) stated that he was a citizen of Mexico and admitted to being in the United States illegally. (b) (6), (b) (7)(C) stated that he was a citizen of the United States by virtue of birth.</p> <p>I contacted my radio dispatcher (hereinafter (b) (7)(E) and requested queries of the occupants' biographical information for criminal and immigration history. (b) (7)(E)</p> <p><b>(b) (6), (b) (7)(C), (b) (7)(E)</b></p> <p>Based on (b) (7)(E) information, Agent (b) (6), (b) (7)(C) further questioned (b) (6), (b) (7)(C) confirmed (b) (7)(E) findings.</p> <p>Agent (b) (6), (b) (7)(C) and I notified (b) (6), (b) (7)(C) that he was being placed under arrest. <b>NARRATIVE:</b> ----- On Saturday, July 5, 2014, I, United States Border Patrol Agent (b)(6) & (b)(7)(c), was assigned to roving patrol within the Indio, California Border Patrol Station's area of responsibility ("AOR"), along with Agents (b)(6) & (b)(7)(c) and (b)(6) & (b)(7)(c). I was wearing a green Border Patrol uniform with a badge identifier visible and was driving a green and white Ford Raptor that was equipped with emergency lights and siren.  At a pre-shift briefing, I was notified by supervisory personnel that Agents (b)(6) & (b)(7)(c) and (b)(6) & (b)(7)(c) were in the process of "tracking" a subject through an area near the Highway 86 Border Patrol Checkpoint, near Salton City, California.  (b)(7)(E)  The Highway 86 Checkpoint is located on Highway 86, a north/south expressway, between Westmorland, California and Salton City, California. Highway 86 travels from the United States' international border boundary with Mexico to California's Coachella Valley. (b)(7)(E)  (b)(7)(E)  At approximately 12:15 a.m., Agent (b)(6) & (b)(7)(c) made telephonic contact with Agent (b)(6) & (b)(7)(c). Agent (b)(6) & (b)(7)(c) relayed that he and Agent (b)(6) & (b)(7)(c) had been working together to track the subject for approximately one hour. Agent (b)(6) & (b)(7)(c) stated that he had located the subject's footprints in a dry wash bed that was seated in commercial ranch-land, approximately one to two miles east of the Highway 86 Checkpoint.

<p>The Salton Sea, which is a large body of water that spans from near Westmorland to beyond Salton City, is approximately three to four miles east of the Highway 86 Checkpoint. Commercial ranch-land, which is filled with agricultural groves, occupies the land between (b)(7)(E)</p> <p>(b)(7)(E)</p>		
<p>Agents (b)(6) &amp; (b)(7)(c), and I drove to that area to assist Agents (b)(6) &amp; (b)(7)(c) in attempting to locate the subject.</p> <p>After collectively working to locate the subject for approximately three hours, Agents (b)(6) &amp; (b)(7)(c) notified Agent (b)(6) &amp; (b)(7)(c) and I, via service radio, that they had located the subject hiding in a bush and had him detained approximately two miles north of the Highway 86 Checkpoint. Agents (b)(6) &amp; (b)(7)(c), and I met with Agents (b)(6) &amp; (b)(7)(c) at their location. In my presence, Agent (b)(6) &amp; (b)(7)(c) questioned the subject, a male, regarding his citizenship and immigration status. The subject stated that he was a citizen of Honduras and admitted to being in the United States illegally. Agent (b)(6) &amp; (b)(7)(c) notified the subject that he was under arrest.</p> <p>While Agent (b)(6) &amp; (b)(7)(c) was speaking with the subject, I observed that he was not wearing a shirt or shoes. The subject was exhibiting indicators of dehydration, including: shortness of breath, cotton mouth, and confusion. I questioned the subject regarding his state of health. The subject stated that he was not feeling well. Based on our belief that the subject was feeling the effects of dehydration from the journey around the checkpoint, we contacted our radio dispatchers and requested emergency medical assistance.</p> <p>The subject was transported to the nearby Highway 86 Border Patrol Checkpoint to await the arrival of paramedics. While waiting for paramedics, I queried the subject's fingerprints through the (b)(7)(E) database for criminal and immigration history. Queries identified the subject as (b)(6) &amp; (b)(7)(c). I asked the subject if he was, indeed, (b)(6) &amp; (b)(7)(c) and he replied, "Yes."</p> <p>Shortly after, paramedics arrived and assessed (b)(6) &amp; (b)(7)(c). Paramedics determined that (b)(6) &amp; (b)(7)(c) was dehydrated and was in need of fluids. Paramedics further reported that it was not necessary for (b)(6) &amp; (b)(7)(c) to go to the hospital, as he had no major medical needs. (b)(6) &amp; (b)(7)(c) insisted that he required medical attention by hospital staff.</p> <p>At approximately 3:30 a.m., paramedics transported (b)(6) &amp; (b)(7)(c) to the John F. Kennedy Medical Center ("JFK") in Indio, California for further evaluation. Agent (b)(6) &amp; (b)(7)(c) and I escorted (b)(6) &amp; (b)(7)(c) and retained custody of him.</p>

<p>After being assessed by medical staff at JFK, (b)(6) &amp; (b)(7)(c) was determined to not have any medical injuries and was released at approximately 7:20 a.m.</p> <p>While in our custody at JFK, (b)(6) &amp; (b)(7)(c) made several incriminating statements which were not provoked or encouraged by Agent (b)(6) &amp; (b)(7)(c) or me. (b)(6) &amp; (b)(7)(c) had asked Agent (b)(6) &amp; (b)(7)(c) and I where we were each originally from. I told (b)(6) &amp; (b)(7)(c) that I was from the east coast of the United States, near New York City. (b)(6) &amp; (b)(7)(c) responded by stating that he used to reside in New York City. (b)(6) &amp; (b)(7)(c) and I carried on a brief conversation about restaurants and tourist attractions in New York City when (b)(6) &amp; (b)(7)(c) made a voluntary and unprovoked statement regarding his criminal past. (b)(6) &amp; (b)(7)(c) stated, "Back when I was in New York, I made good money," and "I was selling so much drugs." When (b)(6) &amp; (b)(7)(c) made these statements, Agent (b)(6) &amp; (b)(7)(c) and I immediately ceased conversation with him. Shortly after, (b)(6) &amp; (b)(7)(c) began speaking with us again and asked when he was going to be released from the hospital. I told (b)(6) &amp; (b)(7)(c) that I was unsure, but that I could check with the medical staff. He continued to ask if I could ask what his blood test results indicated, and stated, "They will probably tell you that I had cocaine in my blood." Neither of (b)(6) &amp; (b)(7)(c)'s statements were elicited or "drawn out" in any way. Medical staff later concluded that (b)(6) &amp; (b)(7)(c) did appear to be under the influence of controlled substances, specifically cocaine.</p> <p>After his release, (b)(6) &amp; (b)(7)(c) was transported to the Indio Border Patrol Station for further interview and processing.</p> <p>At the Indio Border Patrol Station, I enrolled (b)(6) &amp; (b)(7)(c)'s fingerprints and biographical information (b)(7)(E) for the purposes of generating an administrative arrest report. I retrieved query results of (b)(6) &amp; (b)(7)(c)'s fingerprints for criminal and immigration history.</p> <p><b>(b)(6) &amp; (b)(7)(c), (b)(7)(E)</b></p> <p><b>(b)(6) &amp; (b)(7)(c), (b)(7)(E)</b></p> <p>At approximately 9:53 a.m., (b)(6) &amp; (b)(7)(c) was notified of his Miranda Rights by Agent (b)(6) &amp; (b)(7)(c). (b)(6) &amp; (b)(7)(c) acknowledged understanding his Miranda Rights and declined to answer any questions without the presence of an attorney. Immediately after he invoked his right to remain silent, all questioning was ceased.</p> <p>Due to (b)(6) &amp; (b)(7)(c) being transported to the hospital for emergency medical attention immediately after his arrest, agents were unable to notify him of his Miranda Rights within six hours of his time of arrest. (b)(6) &amp; (b)(7)(c)'s Miranda Rights notification was made as soon as reasonably possible by Agent (b)(6) &amp; (b)(7)(c).</p> <p>Due to (b)(6) &amp; (b)(7)(c)'s criminal past, I deemed that prosecution for allegedly violating Title 8,</p> <tr><td>Signature (b)(6) &amp; (b)(7)(c)</td><td colspan="2">Title (A) Supervisory Border Patrol Agent</td></tr>			Signature (b)(6) & (b)(7)(c)	Title (A) Supervisory Border Patrol Agent

<b>(b) (7)(E)</b>		
NARRATIVE: ----- On Tuesday, July 1, 2014, I, United States Border Patrol Agent (b) (6), (b) (7)(C), was assigned to roving patrol of the Indio, California Border Patrol Station's area of responsibility, along with Agents (b) (6), (b) (7)(C). Agents (b) (6), (b) (7)(C) and I were wearing green uniforms with badge identifiers visible. Agent (b) (6), (b) (7)(C) and I were in a green and white Dodge Charger that was marked with Border Patrol insignia and equipped with emergency lights and siren. Agent (b) (6), (b) (7)(C) was in a green and white Chevrolet Tahoe that was marked with Border Patrol insignia and equipped with emergency lights and siren.		
<b>(b) (7)(E)</b>		
At approximately 6:40 a.m., Agent (b) (6), (b) (7)(C) and I were driving west in the number one of three lanes (i.e., closest to center divider) on I-10, approaching Monroe Street, in Indio. I was driving and Agent (b) (6), (b) (7)(C) was in our passenger seat. Agent (b) (6), (b) (7)(C) was driving several car-lengths behind us. As we passed Monroe Street, I observed a white Honda Accord with silver rims enter the number three lane of westbound traffic from the Monroe Street on-ramp. When the Accord entered the highway, it was almost directly to our right and appeared that my vehicle was in its "blind spot," the location in the vehicle's mirrors where my vehicle was not visible. I peered inside of the Accord and saw that the male driver leaned forward and looked into his side-view mirror. Almost as soon as he looked into the mirror, he sat back in his seat and went from holding the steering wheel with only his left hand, to holding it with both of his hands. I suspected that the driver saw the marked presence of Agent (b) (6), (b) (7)(C) vehicle behind him, which in turn elicited a behavioral response from him. Agent (b) (6), (b) (7)(C) and I both immediately communicated with each other that we observed the behavioral response from the driver and that we found it suspicious.

<p>I slowed, pulled to the number two lane, and matched the Accord's speed, which, according to my vehicle's speedometer, was approximately 55 miles-per-hour ("MPH"). I pulled alongside the Accord and looked inside. When I looked inside of the vehicle, the driver looked over, then immediately looked back ahead and appeared to say, "Oh, fuck."</p> <p>I initially believed that the driver did not see Agent (b)(6) (b)(7)(C) and I, and that his behavioral response was suspicious when he appeared to notice Agent (b)(6) (b)(7)(C). When I pulled alongside of the Accord and he looked into my car, then shot his head back forward, I believed it to verify that he did not initially see Agent (b)(6) (b)(7)(C) and I. Also, when the driver appeared to say, "Oh, fuck," I believed that it further verified my suspicion and indicated that the driver was displeased upon seeing us.</p> <p>I slowed and pulled behind the Accord in the number three lane (i.e., closest to the right shoulder). At that point the Accord was behind a semi-truck and trailer. We drove behind the Accord and the semi-truck for approximately one mile before the Accord's left turn signal illuminated and it merged to the number two lane. We merged with the number two lane behind the Accord. The Accord and Agent (b)(6) (b)(7)(C) and I passed the semi-truck, and continued in the number two lane. Agent (b)(6) (b)(7)(C) and I merged with the number three lane and drove alongside the right side of the Accord. When we drove on the right side of the Accord, I observed an additional male subject sitting in the front-passenger seat of the Accord. I observed that the passenger was looking straight ahead and neither of the occupants appeared to be talking. We continued alongside the Accord for approximately one to two miles, without observing any additional changes in the subjects' behaviors. Throughout the entire time of us driving alongside the Accord, I did not observe any noticeable change in its speed, and observed that the Accord's speed was lower than that of the majority of traffic.</p> <p>When driving alongside vehicles for a prolonged amount of time, it is likely that, at some point, the occupants will look over and acknowledge our presence. Also, a large quantity of vehicles passed our location, indicating that the Accord's speed was uncharacteristically low. In my experience, both of those observations, collectively, indicate to me that the driver of the vehicle may be nervous in the presence of law enforcement officers.</p> <p>Agent (b)(6) (b)(7)(C) and I communicated our observations with each other and both believed that the behaviors of the occupants were suspicious. As a result of our suspicions, we contacted Agent (b)(6) (b)(7)(C) and informed him of our intent to perform an investigatory stop of the Accord. When we contacted Agent (b)(6) (b)(7)(C), he also expressed concern with the Accord's travel, and suggested that it appeared different from the rest of traffic.</p> <p>After passing the Jefferson Street exit on I-10, I activated my vehicle's emergency lights. After several seconds, the Accord's brake lights illuminated and it began to slow. The Accord merged ultimately yielded to the right shoulder and stopped. Agent (b)(6) (b)(7)(C) and I stopped behind the Accord and parked. Agent (b)(6) (b)(7)(C) stopped behind us.</p> <p>Agents (b)(6) (b)(7)(C) and I exited our vehicles and approached the accord on its passenger side. Agent (b)(6) (b)(7)(C) greeted the two occupants through the lowered passenger window. Agent (b)(6) (b)(7)(C) briefly spoke with the occupants and questioned them regarding their identity,</p>

citizenship, and immigration status. Both subjects presented Mexican identification cards. The driver identified himself as (b)(6) (b)(7)(C) and the passenger identified himself as (b)(6) (b)(7)(C). Both (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) stated that they were citizens of Mexico and admitted to being in the United States illegally. (b)(6) (b)(7)(C) stated that they both saw Agent (b)(6) (b)(7)(C) initially, and acknowledged that they're behavioral response was due to the fact that they immediately became nervous.

(b)(6) (b)(7)(C) were placed under arrest and were secured in double-locked handcuffs. (b)(6) (b)(7)(C) were transported to the Indio Border Patrol Station for further interview and processing.

Pursuant to Article 36 of the Geneva Convention on Consular Affairs, (b)(6) (b)(7)(C) was informed of his right to contact a representative of Mexico's Office of Consular General to notify them that he had been apprehended. (b)(6) (b)(7)(C) acknowledged understanding his consular notification right and chose to exercise it. At approximately 9:03 a.m., (b)(6) (b)(7)(C) spoke with Representative (b)(6) (b)(7)(C).

Service Form I-213, Record of Deportable/Inadmissible Alien, was generated for the purpose of gathering (b)(6) (b)(7)(C) biographical information and documenting the details of his arrest. While preparing the I-213, I established that (b)(6) (b)(7)(C) entered the United States on or around August 23, 1996 without being inspected or admitted by an immigration officer.

At approximately 8:45 a.m., I notified (b)(6) (b)(7)(C) of his Administrative Rights. (b)(6) (b)(7)(C) acknowledged understanding his Administrative Rights and requested a hearing before an immigration judge.

(b)(6) (b)(7)(C) was issued a Notice to Appear before an immigration judge for removal proceedings.

(b)(6) (b)(7)(C) claimed and appeared to be in good mental and physical health.

(b)(6) (b)(7)(C) disclaimed any ties or equities in the United States.

(b)(6) (b)(7)(C) disclaimed any applications pending on his behalf with United States Citizenship and Immigration Services.

(b)(6) (b)(7)(C) refused to acknowledge or sign any documents pertaining to his arrest or removal proceedings.

(b)(6) (b)(7)(C) stated that his request for a hearing before an immigration judge and his refusal to acknowledge or sign documents was due to his understanding that the Obama Administration is granting lawful immigration status to undocumented aliens. (b)(6) (b)(7)(C) further indicated
